

South African Revenue Service

Dear Valued Stakeholder

As previously indicated, SARS is aware of issues with submitting disputes on eFiling that caused some disputes to be rejected.

A fix was implemented on 13 May 2022 to address this matter. The team is working on resolving the remaining issues.

SARS therefore advises, that If you had submitted a dispute between 22 April 2022 and 14 May 2022 , you check your dispute history on eFiling to verify if your dispute is reflecting as received or rejected.

If the dispute is rejected, may you kindly submit this dispute to SARS again.

SARS apologises for the inconvenience.
