### ACCREDITATION COMMITTEE OF THE IRBA: SUBJECT MATTER EXPERTS CALL FOR APPLICATIONS

Johannesburg / 7 April 2021

Please take note of the [Call for Applications advertisement](#) for **Subject Matter Experts** to support the Accreditation Committee (ACCOM) in its evaluation of an application by a professional body seeking accreditation.

Members of the panel will be required to evaluate the application for accreditation submitted by the professional body against the required competencies of Registered Auditors, as set out in the IRBA's competency framework and contained within the [Accreditation Model](#).

Subject matter experts are an integral part of the ACCOM's evaluation process and have an important opportunity to make a meaningful contribution to the auditing profession, in the public interest, at a national level through the generous contribution of their expertise.

An application form, and further information regarding the Board and the Statutory Committees, are available on the [IRBA website](#).
