COMMITTEE FOR AUDITING STANDARDS

Revised Illustrative Annual Stockbroker's Reports Submitted to the JSE Limited in terms of the Financial Markets Act and JSE Directive DG 1.7 - Illustrative Reports 2B and 3

Johannesburg / 29 November 2021

The Independent Regulatory Board for Auditors' (IRBA) Committee for Auditing Standards (CFAS), at its meeting on 17 November 2021, approved the issue of the *Revised Illustrative Annual Stockbroker's Reports Submitted to the JSE Limited in terms of the Financial Markets Act and JSE Directive DG 1.7 - Illustrative Reports 2B and 3 (revised regulatory reports)*, for use by registered auditors (auditors).

These revised regulatory reports have been updated for the following:

- The *International Standard on Related Services (ISRS) 4400 (Revised), Agreed-Upon Procedures Engagements (ISRS 4400 (Revised))*, which was adopted, prescribed and issued by the IRBA Board on 29 October 2020. ISRS 4400 (Revised) is effective for agreed-upon procedures (AUP) engagements for which the terms of engagement are agreed on or after 1 January 2022.
- The changes in substance between the extant ISRS 4400 and ISRS 4400 (Revised) include the following:
 - Scope and Responsibilities
 - New requirements and application material clarify the auditor's responsibilities in relation to the various parties involved in an AUP engagement, such as the engaging party, the intended users of the AUP report and the responsible party for the subject matter on which the AUP are performed.
 - Compliance with Independence Requirements
 - New requirements and application material recognise that, even when the auditor may not be required (for example, by law or regulation, an ethics code or contract) to comply with independence requirements, they may still agree with the engaging party that compliance with independence requirements is appropriate for the purpose of the AUP engagement.
 - The Agreed-Upon Procedures Report
 - Enhanced transparency on:
 - The responsibilities of the various parties involved in an AUP engagement; and
 - Whether or not the auditor is required to comply with independence requirements; and if so, the relevant independence requirements.

- New application material to guide the auditor in deciding whether to restrict the use or distribution of the AUP report.

Effective Date

These revised regulatory reports are effective for engagements for which the terms of engagement are agreed on or after 1 January 2022.

They are available for downloading in Word and PDF formats from the IRBA website at www.irba.co.za.

Should you have any further queries, please do not hesitate to contact the Standards Department by emailing standards@irba.co.za.

About the IRBA

The objective of the IRBA is to endeavour to protect the financial interests of the South African public and international investors in South Africa through the effective and appropriate regulation of audits conducted by registered auditors, in accordance with internationally recognised standards and processes.

The statutory responsibilities of the CFAS are to assist the IRBA to develop, maintain, adopt, issue or prescribe auditing pronouncements; to consider relevant international changes by monitoring developments by other auditing standard-setting bodies and sharing information where requested; and to promote and ensure the relevance of auditing pronouncements.
