

South African Revenue Service

Dear Valued Stakeholder

Dear Stakeholder-

SARS was alerted to the fact that certain emailed notifications had not been delivered which alerted the eFiling user to the fact that a Notice of Assessment had been placed on the eFiling profile.

We do apologise for this technical issue; however, it is important to note that this did not impact the delivery of the Notice of Assessment to the eFiling profile.

Please note that SARS will be issuing several emails shortly to the impacted taxpayers and tax practitioners.
