Dear Valued Stakeholder

With the 31 May 2022 deadline for EMP501 submission fast approaching, we have noted that the percentage of submissions received to date is lower than expected.

You are urged to encourage all employers to file their respective EMP501's and the underlying IRP5's as soon as possible, but before the deadline of 31 May 2022.

Should you be aware of any challenges in filing please bring this to our attention.
