## Independent Auditor's Report on Summary Financial Statements

*To the Members of the <name of scheme>*

### *Opinion*

The summary financial statements, as set out on pages <xx> to <xx>, which comprise the summary statement of financial position as at <date of year/period end>, and the summary statement of comprehensive income, summary statement of changes in members' funds and summary cash flow statement for the <year/period> then ended, and related notes, are derived from the audited financial statements of <name of scheme> (the Scheme) for the <year/period> ended <date of period end>.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial statements, in accordance with the content and disclosure requirements of Circular 6 of 2013 issued by the Council for Medical Schemes.

### *Summary Financial Statements*

The summary financial statements do not contain all the disclosures required by International Financial Reporting Standards and the Medical Schemes Act of South Africa. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon. The summary financial statements and audited financial statements do not reflect the effects of
