

Invitation to the Pay-As-You-Earn (PAYE) webinar for SMMEs

Dear Taxpayer and Trader,

SARS is committed to assisting you, taxpayers, and traders to fulfil your tax obligations and remain compliant. In this respect, SARS will host a virtual webinar for Small, Medium and Micro Enterprises (SMMEs), where Pay-As-You-Earn (PAYE) will be the topic of discussion.

In terms of the Income Tax Act No.58 of 1962, employers are required to deduct the correct amount of tax from employees' remuneration, pay this amount to SARS every month and to ensure that SARS receives the Monthly Employer Declaration (EMP201). The deductions and payments are then reconciled through the completion of the Employer Reconciliation Declaration (EMP501).

In line with our Strategic Objectives, SARS believes that when taxpayers have clarity and certainty about their tax obligations, they will be in a better position to comply with their tax matters.

As an important stakeholder, you are invited to join us at the Webinar. You may also extend this invitation to other interested parties.

The following topics will be covered:

- Registration requirements
- Completion of returns
- Accurate and timeous filing
- Reconciliations
- Payment processes
- Employment Tax Incentive (ETI)
- Deregistration.
