This Guide for Registered Auditors: *Reporting on Financial Information Contained in Interim, Preliminary, Provisional and Abridged Reports Required by the JSE Listings Requirements (Revised September 2014)* provides guidance to a JSE accredited auditor in implementing the audit and review requirements in the relevant International Standards to meet the additional regulatory reporting requirements in the JSE Listings Requirements.

Guides are developed and issued by the IRBA to provide guidance to auditors in meeting specific legislative requirements imposed by a Regulator. Guides do not impose requirements on auditors beyond those included in the International or South African Standard/s or South African regulatory requirements and do not change an auditor’s responsibility to comply, in all material respects, with the requirements of the International or South African Standards or with South African regulatory requirements relevant to the audit, review, other assurance services or related services engagement.

An auditor is required to have an understanding of the entire text of every Guide to enable the auditor to assess whether or not any particular Guide is relevant to an engagement, and if so, to enable the auditor to apply the requirements of the particular International or South African Standard/s to which the Guide relates, properly.

In terms of section 1 of the Auditing Profession Act, No 26 of 2005 (the Act), a Guide is included in the definition of “auditing pronouncements” and in terms of the Act, the auditor must, in the performance of an audit, comply with those standards, practice statements, guidelines and circulars developed, adopted, issued or prescribed by the Regulatory Board.

Introduction

Scope of the Guide

1. The purpose of this Guide is to provide guidance to a JSE accredited auditor² (an auditor) in the implementation of International Standard on Auditing (ISA) 810 *Engagements to Report on Summary Financial Statements* (ISA 810) and International Standard on Review Engagements (ISRE) 2410 *Review of Interim Financial Information performed by the Independent Auditor of the Entity* (ISRE 2410) when reporting on an issuer's interim, preliminary, provisional and abridged reports as required by the Listings Requirements.
2. The Listings Requirements govern the preparation and publication of interim, preliminary, provisional and abridged reports by issuers. The Listings Requirements also specify whether or not an issuer's auditor is required to audit or review these reports³.
3. Unless otherwise stated, each paragraph of this Guide applies to both audit and review engagements. Paragraphs that apply to only one or the other type of engagement have been presented in a columnar format with the letter "A" (audit) or "R" (review) after the paragraph number.

Audit	Review
4A. ISA 810 applies where an issuer's auditor is engaged to report on summary financial statements derived from financial statements audited in accordance with International Standards on Auditing (ISAs) by that same auditor.	4R. ISRE 2410 applies to a review of historical financial information undertaken by an issuer's auditor.

5. This Guide does not override ISA 810 or ISRE 2410, nor does it purport to deal with all considerations that may be relevant in the circumstances of such engagements. The auditor is required to comply with all relevant requirements of ISA 810 or the relevant basic principles and essential procedures of ISRE 2410 in the performance of an audit or review of an interim, preliminary, provisional or abridged report.
6. This Guide provides illustrative auditor's reports for circumstances when an issuer's auditor is reporting on summary financial statements or condensed

² Listings Requirements - Section 22 sets out the requirements for registered auditors and their audit firms to be accredited by the JSE. Only a JSE accredited auditor may be appointed as the auditor of an issuer listed on the JSE Limited.

³ Listings Requirements, paragraphs 3.15, 3.16, 3.18, 3.20 to 3.22

financial statements included in the issuer's interim, preliminary, provisional or abridged report.

7. The illustrative reports in Appendix 1 of this Guide do not provide illustrative reports containing modified opinions or conclusions and Emphasis of Matter, Other Matter paragraphs or a Report on Other Legal and Regulatory Requirements (including Reportable Irregularities) paragraph in the auditor's report. ISA 810, ISRE 2410 and the South African Auditing Practice Statement (SAAPS) 3, *Illustrative Reports*, address how the form and content of the auditor's report are affected when the auditor expresses a modified opinion or conclusion or includes an Emphasis of Matter, Other Matter or a Report on Other Legal and Regulatory Requirements paragraph in the auditor's report.
8. The disclosure requirements for interim, preliminary and provisional financial statements⁴ and for summary financial statements⁵ contained in the Companies Act are not repeated in this Guide.
9. The Appendices to this Guide contain the following:
 - a) Appendix 1: Illustrative auditor's reports on financial statements contained in interim, preliminary, provisional and abridged reports;
 - b) Appendix 2: Illustrative wording regarding the auditor and the auditor's report on financial statements included in an issuer's SENS announcement where the auditor's report is not included therein;
 - c) Appendix 3: Decision tree explaining the reports that the auditor might issue on financial statements contained in a preliminary, provisional and abridged report published on SENS;
 - d) Appendix 4: Scenario illustrating the respective responsibilities of an issuer and their auditor and related time-lines; and
 - e) Appendix 5: Summary of Listings Requirements that apply to issuer's interim, preliminary, provisional and abridged reports.

Effective date

10. This Guide is effective for an auditor's report on an issuer's interim, preliminary, provisional or abridged report issued on or after 30 September 2014.

<p>13A. Paragraph 8.57 of the Listings Requirements specifies the basis of preparation and minimum contents of interim, preliminary, provisional and abridged reports that comprise the “applicable criteria” envisaged in ISA 810²¹. Consequently paragraph 8.57 comprises the “applied criteria” that is deemed to be acceptable to the JSE and the auditor (refer Appendix 4 for a summary of the requirements).</p>	<p>13R. Paragraph 8.57 of the Listings Requirements specifies the basis of preparation and minimum contents of interim, preliminary and provisional reports that comprise the “financial reporting framework” envisaged in ISRE 2410²². Consequently paragraph 8.57 comprises the “financial reporting framework” that is deemed to be acceptable to the JSE and the auditor (refer Appendix 5 for a summary of the requirements).</p>

14. Paragraph 8.57(a) of the Listings Requirements specifies that “interim reports must be prepared in accordance with and containing the information required by the IAS 34: *Interim Financial Reporting*, as well as the SAICA *Financial Reporting Guides* as issued by the Accounting Practices Committee and *Financial Pronouncements* as issued by Financial Reporting Standards Council,...”.

The basis of preparation note in an issuer’s interim report will contain similar wording, for example, as “being prepared in accordance with the International Financial Reporting Standard, (IAS) 34 *Interim Financial Reporting*, the SAICA *Financial Reporting Guides* as issued by the Accounting Practices Committee and *Financial Pronouncements* as issued by Financial Reporting Standards Council and the requirements of the Companies Act of South Africa”. This is not a fair presentation framework. Accordingly the auditor’s report does not make reference to “fair presentation”²³.

15. Preliminary, provisional or abridged reports that contain condensed or summary financial statements, as applicable in the circumstances, do not comply with all the requirements of IFRS. Accordingly the framework is described in the auditor’s report with reference to the relevant requirements of the Listings Requirements, as opposed to “International Financial Reporting Standards”, and the requirements of the Companies Act of South Africa. The full description of the requirements of paragraph 8.57(b) and (c) of the Listings Requirements is provided in the notes to the preliminary, provisional or abridged financial statements.

GUIDE FOR REGISTERED AUDITORS
REPORTING ON FINANCIAL INFORMATION CONTAINED IN INTERIM, PRELIMINARY, PROVISIONAL
AND ABRIDGED REPORTS REQUIRED BY THE JSE LISTINGS REQUIREMENTS (REVISED
SEPTEMBER 2014)

Paragraph 8.57(b) requires that preliminary, provisional and abridged reports “must be prepared in accordance with the framework concepts and the measurement and recognition requirements of International Financial Reporting Standards (IFRS) and the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council, and must also, as a minimum, contain the information required by IAS 34 *Interim Financial Reporting*.” This is not a fair presentation framework. Accordingly the auditor’s report does not make reference to “fair presentation”.

Paragraph 8.57(c) requires “a statement must be included confirming that the accounting policies are in terms of IFRS and are consistent with those of the previous annual financial statements (or include details of the changes.)” Consequently, the illustrative reports in Appendix 1 contain illustrative wording for the notes on the basis of preparation to the preliminary, provisional and abridged financial statements.

16. The reference in the auditor’s audit or review report to the applied criteria, or financial reporting framework, respectively is summarised as follows:

	ISA 810	ISRE 2410
	Description of the “applied criteria” in an audit report on summary financial statements	Description of the “financial reporting framework” in a review report on condensed financial statements

Inclusion of the auditor’s report on summary or condensed financial statements

Audit	Review
17A. When accepting an engagement to report on summary financial statements, the auditor is required by ISA 810 to obtain the agreement of management that it acknowledges and understands its responsibility to include the auditor’s report on the summary financial statements in any document that contains those summary financial statements and	17R. ISRE 2410 requires an auditor to agree on the terms of the review engagement, ordinarily recorded in an engagement letter, that includes management’s agreement that where any document containing interim or other financial information indicates that the interim or other financial information has been reviewed by the issuer’s auditor, the review

indicates the auditor has reported on them ²⁴ . This requirement applies whether or not the information is published in printed media (for example a booklet) or in electronic format (for example on an issuer's website), on SENS or in the press.	report will also be included in that document ²⁵ . This requirement applies whether or not the information is published in printed media (for example a booklet) or in electronic format (for example on an issuer's website), on SENS or in the press.

18. The JSE does not require the auditor's report on the financial information contained in an interim, preliminary, provisional or abridged report to be included with the applicable report published on SENS or in the press. Instead the JSE requires that the information published on SENS indicates that the auditor's report, accompanied by the financial statements identified in the auditor's report, is available for inspection at the issuer's registered office²⁶.
19. If the auditor issues a modified auditor's report, a signed copy of the modified auditor's report must be submitted to the JSE by the issuer within 24 hours of the publication of the results²⁷.
20. The audit firm and individual auditor have a further responsibility to advise the JSE of any instance where an issuer misrepresents the content of their auditor's report²⁸.

Audit	Review
21A. The Listings Requirements require the published interim, preliminary, provisional or abridged report to state the type of audit opinion that was reached or in the circumstances where the report itself is not audited, the opinion that was reached on the underlying annual financial statements, i.e. unqualified, qualified, disclaimer or adverse opinion ²⁹ .	21R. The Listings Requirements require the published interim, preliminary or provisional report to state the type of review conclusion that was reached or in the circumstances where the report itself is not reviewed, the opinion that was reached on the underlying annual financial statements, i.e. unqualified, qualified, disclaimer or adverse conclusion/opinion ³⁰ .

²⁸ Listings Requirements, paragraph 22.6(b)

²⁹ Listings Requirements, paragraphs 3.18(g), 3.21(c) and 3.22(b)(i)

22. The Listings Requirements also require information published on SENS to identify the auditor and to contain details of the nature of such modification paragraph from the auditor's report. The published interim, preliminary or provisional or abridged report must also mention and contain details of any:
- a) Emphasis of Matter paragraph;
 - b) Paragraph regarding a reportable irregularity, as defined in the Auditing Profession Act; and
 - c) Paragraph indicating a material inconsistency in information included in a document that contains the audited financial statements contained in the auditor's report.³¹

The JSE does not require details of an Other Matter paragraph including the disclosures required by the Companies Act applicable to annual financial statements (directors' report, audit committee report and company secretary certificate).

When issuing an auditor's report on summary financial statements, the reporting requirements of paragraph 17 of ISA 810, relating to modified opinions, Emphasis of Matter paragraphs and Other Matter paragraphs, will not apply to the reportable irregularities paragraph as required by the Auditing Profession Act, because such a paragraph is considered to be a "Report on other legal and regulatory requirements"³².

Appendix 2 to this Guide contains illustrative wording regarding the auditor and the auditor's report on the financial information for inclusion in information published on SENS.

The auditor's involvement in short-form announcements

23. The Listings Requirements impose no obligation on the auditor to issue a report on short-form announcements in the press, irrespective of whether such announcements are made because the issuer is mandated to do so by the Listings Requirements, or does so voluntarily.

The minimum requirements for short-form announcements³³ do not constitute suitable criteria for the auditor to issue either an audit or a review report on the information.

Section 22.6(b) of the Listings Requirements requires the auditor to advise the JSE of any instance where the applicant issuer misrepresents the content of the auditor's report as it relates to that applicant issuer. An issuer's auditor is

³⁰ Listings Requirements, paragraphs 3.18(g), 3.21(c) and 3.22(b)(i)

³² ISA 810, paragraph 17

³³ Listings Requirements, paragraph 3.46A

therefore required by the Listings Requirements to consider whether or not the auditor’s association with the information in a short-form announcement is appropriately explained in the announcement.

It would be misleading for an issuer to indicate that a short-form announcement (itself) has been audited or reviewed. Preferably issuers should also not use “audited” or “reviewed” column headings in short-form announcements, but if such headings are used, the short-form announcement should explain the context of such headings. In other words, if such headings are used, the announcement should explain that the information in the short-form announcement has been extracted from the audited/reviewed financial statements and that the short-form announcement itself has not been audited/reviewed.

Review engagement on initial appointment

Audit	Review
24A. Not applicable.	24R. The Listings Requirements require an auditor to apply ISRE 2410 in performing a review of an issuer’s interim, preliminary or provisional reports ³⁴ . ISRE 2410 recognises that “through performing the audit of the annual financial statements, the auditor obtains an understanding of the entity and its environment, including the internal control of the issuer that the auditor updates in the course of the review which assists in focusing the inquiries to be made and analytical and other review procedures to be applied” ³⁵ . ISRE 2410 also requires that: “in order to plan and conduct a review of interim financial information, a recently appointed auditor, who has not yet performed an audit of the annual financial statements in accordance with ISAs, should

25A. Not applicable.	25R. If a recently appointed auditor is unable to meet the requirements of ISRE 2410, that auditor may not, as an alternative, elect to perform the review in accordance with ISRE 2400, <i>Engagements to Review Financial Statements</i> .
26A. Not applicable.	26R. An auditor who accepts an engagement to review the financial information contained in an issuer’s interim, preliminary or provisional reports on the basis of ISRE 2400 ³⁷ , and consequently provides the incorrect auditor’s review report thereon, contravenes both the Listings Requirements and ISRE 2410.

Forming an opinion and reporting on the financial statements

Unaudited or un-reviewed supplementary information

27. The Listings Requirements require disclosure of supplementary information in interim, preliminary, provisional and abridged reports in addition to the requirements of IFRS and the Companies Act³⁸ (refer Appendix 5). If the supplementary information required by the Listings Requirements cannot be differentiated from the audited or reviewed information due to its nature or how it is presented, which occurs frequently, such information is assumed to be covered by the auditor’s opinion or conclusion.

28. The audited or reviewed information of an issuer is often accompanied by commentary by management or the directors which may include information that was not subject to the audit or review of the auditor.

Audit	Review
<p>29A. ISA 810 requires the auditor to evaluate whether unaudited supplementary information is presented in a manner that could be construed as being covered by the auditor’s opinion including, for example, where that information is presented in relation to the financial statements and any audited supplementary information, or whether it is clearly differentiated and labelled as “unaudited” as applicable.</p> <p>a) If an auditor concludes that the entity’s presentation of the unaudited supplementary information is not clearly differentiated from the summary financial statements, the auditor shall ask management to change the presentation of the unaudited supplementary information.</p> <p>b) If management refuses to do so, the auditor shall explain in the auditor’s report on the summary financial statements that such information is not covered by that report³⁹. The auditor may include the following wording in the audit or review report as an “Other Matter” paragraph where unaudited/un-reviewed commentary by the directors is not sufficiently differentiated from the audited or reviewed</p>	<p>29R. Not applicable.</p>

30. The JSE has recognised that it may be confusing and misleading if an investor does not understand exactly what information is covered by the auditor’s opinion or conclusion (for example in financial results published on SENS). Where unaudited/un-reviewed financial information is contained in an announcement (other than a short form announcement published in accordance with Listings Requirement 3.46A) and / or other publication, including preliminary reports, and the demarcation between the audited/reviewed information and the unaudited/un-reviewed information is not clear, the JSE has advised issuers to include the following statement in their results announcement:

“The auditor’s report does not necessarily report on all of the information contained in this announcement/financial results. Shareholders are therefore advised that in order to obtain a full understanding of the nature of the auditor’s engagement they should obtain a copy of the auditor’s report together with the accompanying financial information from the issuer’s registered office.”⁴⁰

Independent auditor's report on summary financial statements

To the Shareholders of ABC Limited

The summary consolidated financial statements of ABC Limited, contained in the accompanying preliminary report, which comprise the summary consolidated statement of financial position as at 31 December 20x1, the summary consolidated statements of comprehensive income, changes in equity and cash flows for the year then ended, and related notes, are derived from the audited consolidated financial statements of ABC Limited for the year ended 31 December 20x1. We expressed a qualified audit opinion on those consolidated financial statements in our report dated 12 February 20x2 and our auditor's report on the audited consolidated financial statements contained an Other Matter paragraph: *Other reports required by the Companies Act (refer below)*.

The summary consolidated financial statements do not contain all the disclosures required by International Financial Reporting Standards and the requirements of the Companies Act of South Africa as applicable to annual financial statements. Reading the summary consolidated financial statements, therefore, is not a substitute for reading the audited consolidated financial statements.

Director's Responsibility for the Summary Financial Statements

The directors are responsible for the preparation of these summary consolidated financial statements in accordance with the requirements of the JSE Limited Listings Requirements for preliminary reports, set out in note x to the summary financial statements, and the requirements of the Companies Act of South Africa as applicable

to summary financial statements, and for such internal control as the directors determine is necessary to enable the preparation of summary consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the summary consolidated financial statements based on our procedures, which were conducted in accordance with International Standard on Auditing (ISA) 810, *Engagements to Report on Summary Financial Statements*.

Opinion

In our opinion, the summary consolidated financial statements derived from the audited consolidated financial statements of ABC Limited for the year ended 31 December 20x1 are consistent, in all material respects, with those consolidated financial statements, in accordance with the requirements of the JSE Limited Listings Requirements for preliminary reports, set out in note x to the summary financial statements and the requirements of the Companies Act of South Africa as applicable to summary financial statements. However, the summary financial statements are misstated to the equivalent extent as the audited consolidated financial statements of ABC Limited for the year ended 31 December 20X1.

The misstatement of the audited consolidated financial statements is described in our qualified audit opinion in our report dated 12 February 20x2. Our qualified audit opinion is based on the fact that the group's inventories are carried in the statement of financial position in those consolidated financial statements at Rxxx. The directors have not stated the inventories at the lower of cost and net realizable value but have stated them solely at cost, which constitutes a departure from International Financial Reporting Standards. The group's records indicate that had the directors stated the inventories at the lower of cost and net realizable value, an amount of Rxxx would have been required to write the inventories down to their net realizable value. Accordingly, cost of sales would have been increased by xxx, and income tax, net income and shareholders' equity would have been reduced by xxx, xxx and xxx respectively. Our qualified audit opinion states that, except for the effects of the described matter, those consolidated financial statements present fairly, in all material respects, the consolidated financial position of ABC Limited as at 31 December 20x1 and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies Act of South Africa.

Other reports required by the Companies Act

The *Other reports required by the Companies Act* paragraph in our audit report dated 12 February 20x2 states that as part of our audit of the consolidated financial statements for the year ended 31 December 20x1, we have read the Directors' Report, the Audit Committee's Report and the Company Secretary's Certificate for the purpose

of identifying whether there are material inconsistencies between these reports and the audited consolidated financial statements. These reports are the responsibility of the respective preparers. The paragraph states that, based on reading these reports, we have not identified material inconsistencies between these reports and the audited consolidated financial statements. The paragraph furthermore states that we have not audited these reports and accordingly do not express an opinion on these reports.
