
INDEPENDENT REGULATORY BOARD FOR AUDITORS

APPLICATIONS FOR THE POSITION OF CHIEF EXECUTIVE OFFICER

Johannesburg / 16 January 2020

About the IRBA

The mission of the Independent Regulatory Board for Auditors (IRBA) is to protect the financial interests of the South African public and international investors in South Africa through the effective regulation of audits conducted by registered auditors, in accordance with internationally recognised standards and processes.

The tenure of the current incumbent will end in March 2020, therefore the Board seeks to appoint an accomplished Chief Executive Officer with strategic acumen and a track record of outstanding organisational leadership to successfully lead the organisation in accordance with the IRBA's statutory mandate, commitment to transformation in the profession and the five-year strategic plan.

JOB DESCRIPTION

Based in Johannesburg, reporting directly to the Board.

THE CEO IS RESPONSIBLE FOR:

- Driving the external strategy and implementing the Board strategy. Identifying and addressing emerging issues and responding to the need to restore confidence in the auditing profession.
- Leading and maintaining the effective operation of the organisation and providing strong leadership support, inspiration and motivation to the executive team and staff of the IRBA.
- Compliance with the PFMA and National Treasury Regulations.
- Having or developing knowledge of the auditing profession as well as an understanding of the purpose of auditing, assurance and ethical standards.
- Promoting and preserving relationships with key stakeholders both locally and internationally including professional bodies, regulators, government, parliament, the profession and investors.
- Acting as principal spokesperson for the Board and creating a platform for ensuring that the IRBA's mission to protect the financial interest of the South African public and international investors is consistently communicated.

The Ideal Person

- Must have a CA(SA) qualification or hold an alternative, appropriate post graduate degree.
- At least ten years Senior Executive level experience coupled with strong financial knowledge and skills.
- Additional preferred competencies include: An Executive Program in Management, experience within the public sector and an in-depth understanding of the public interest and the need for independence.

Candidates should submit their applications to Options in Personnel, executive search and specialist recruitment consultants.
