
INDEPENDENT REGULATORY BOARD FOR AUDITORS

AUDIT DEVELOPMENT PROGRAMME (ADP) - DIGITAL LEARNING CONTENT

Johannesburg / 05 September 2022

We say it's better than Netflix! The ADP team is excited to announce, the first of its kind in IRBA history, educational and informative digital content. The ADP team launched the ADP Reloaded Project, which included a newly designed template which focuses on the IRBA's competency framework and streamlined to be less repetitive and administrative in a new interactive and editable pdf POE format. Now, we present to you the ADP Digital Learning Content.

Our digital learning content comprises a variety of online videos, animations and eLearning's suited for different audiences depending on their information needs related to understanding the IRBA, the audit profession and the ADP Programme.

We encourage you to visit the ADP Learning Content page:

Director: Education and Transformation

About the IRBA

The objective of the IRBA is to endeavour to protect the financial interests of the South African public and international investors in South Africa through the effective and appropriate regulation of audits conducted by registered auditors, in accordance with internationally recognised standards and processes.
