Johannesburg / 30 November 2021

During October 2021, the IRBA and its Committee for Auditing Standards (CFAS), hosted a webinar titled Audit in an Uncertain Environment.

The objective of the webinar was to reflect and share experiences on the impact of the ongoing pandemic and the recent social unrest on audits, audit firms, their clients, and their personnel.

The conversation centered around:

1. The Impact on Ethics and Independence, including how to address these challenges;
2. Audit Quality and Risk Management;
3. People and Working Remotely; and
4. A Glance into the Future.

Based on the interesting discussion and insights shared, a [Webinar Summary](#) has been prepared.

The event recording is also available on the [IRBA website](#).
