IRBA News Issue #59

Johannesburg / 03 November 2022

Dear Stakeholder

The IRBA News Issue 59 is now available and can be viewed in a [PDF](#) format on our website at www.irba.co.za.

This issue showcases some of the outcomes of the rebranding project we just undertook that focuses on new beginnings, new opportunities and the rekindling of our commitment to lead with **integrity**, serve the **public interest** and improve **audit quality**.

As we embark on this journey to revitalise our brand, my recent appointment as a permanent CEO of the IRBA is also an opportunity to continue the conversations and the good work already started with our stakeholders, and to bring more participants into the discussions. I am committed to ensuring that the regulator will be proactive and responsive to changes in the environment, while promoting confidence and driving awareness about the role and value of audit.
